

Upshire Primary Foundation School

Uniform from September 2026

Our uniform supports equality, looks smart and is practical. It is expected that children wear uniform in all years.

Logo items are available from <https://www.top-form.co.uk/find-your-school-upshire/>

Both the uniform and PE kit are gender-neutral. Please label all uniform with your child's full name.

- White polo shirts (with or without school logo)
- Red sweatshirt/cardigan, preferably with the school logo

PE kit (for PE lessons)

- Plain red crew neck t-shirt (with or without school logo)
- Plain black shorts, joggers or leggings
- Red sweatshirt/cardigan, preferably with the school logo
- Black, grey or white socks

Hair

All children with long hair/fringes are required to have it tied up at all times, with simple, plain hair bands (no large bows or multicoloured headbands). Children should not colour their hair or have additional extensions. Hair should be neat, appropriate for school and should not distract from learning.

Jewellery

Children should not wear jewellery to school (such as necklaces, rings or bracelets). However, they are allowed to wear an analogue or digital watch (no smart watches) and a single, or single pair, of plain stud earrings. No jewellery should be worn in PE lessons and earrings should be removed before school- staff cannot remove or tape them over. It is advisable that new piercings should be done at the start of the summer holidays to allow the ears to heal and the earrings can be removed for school. Additionally, children should not wear nail polish or false nails.

Other

Logo red fleeces are available from our uniform supplier. However, these are for additional outdoor wear and should not replace the school sweatshirt/cardigan.

If children arrive in school without the correct uniform, they will be given spare uniform to wear for the day and a reminder will be sent home.

Outdoor Play Clothing

As the year progresses, we will be asking parents to provide their child with suitable outdoor clothing for lunchtimes. This should be a waterproof coat/trousers/ puddle suit of any colour, along with a pair of wellies.

We are working to arrange outdoor storage for these, so we will communicate when they are required.
