

# Welcome to Upshire

## My Reception Class Story

Soon I will be going to Upshire Primary School and I will be in Reception Class.

I will make lots of new friends in my class.

These are the adults who will be helping me  
to learn in Reception.

Mrs Askew  
Class Teacher

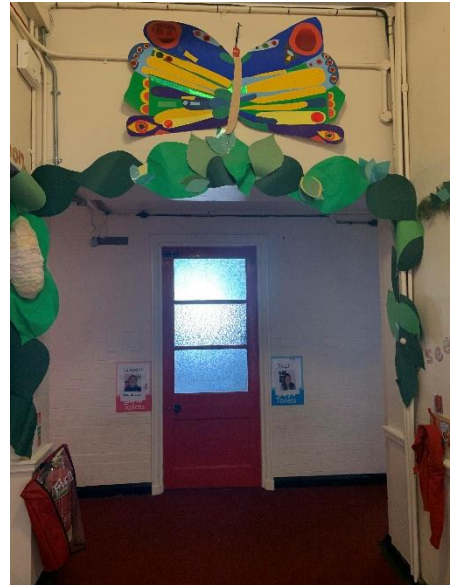

Mrs  
Torrance

Miss  
Rumianowki

When I come into school I will hang my bag and coat on my peg.

At the end of the corridor are the toilets that I can use.

This is my new classroom. There are lots of different areas where I can learn.

Here is the Creation Station, where I can make models and pictures.

This is the Writing Area, where I can write, draw and colour.

This is the Book Corner, where I can read books and make up stories.

This is the Role Play Area. My teacher will change this often so it will look different. When I come to school it will be a home corner.

This is the interactive whiteboard. Sometimes my teacher will use this to teach me. Sometimes I can take turns to play here.

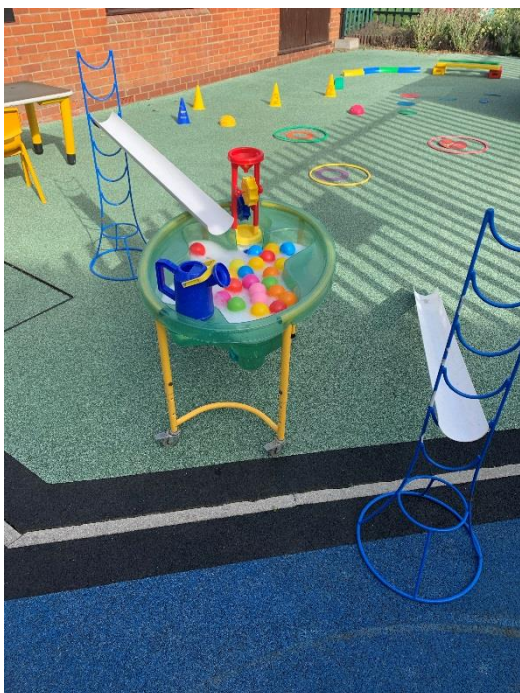

This is the Outside Area for our outdoor learning.

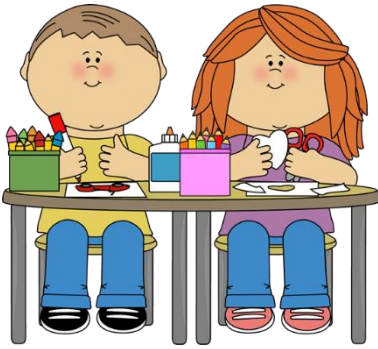

Outside, I can find construction activities.

I can play with the restaurant role-play area.

I can also use the water tray, practise my physical skills, play number games and do lots more learning too.

Everyone at Upshire is looking forward to meeting me and helping me to learn when I start my new school in September.
